

Havan Ceremony held in Police DAV Public School, Patiala

A havan was organized at Police DAV Public School Dadhera. In this, all the children and teachers of the school participated with full enthusiasm. By organizing this havan, blessings were obtained from God for all students. The purpose of getting this havan was also to develop positive energy in the school. On this occasion, Principal of the school S. Rajwant Singh ji explained the importance of havan to the children and explained that in the scientific point of view, Havan is also very important. The natural ingredients of the havan used for it not only destroys the germs and viruses spread in the atmosphere, but also helps in eradicating pollution. At the same time, their fragrance and heat are also going to remove the disturbance and fatigue of the mind and body. Through this havan not only whole environment filled with positive energy but the mind of students also. They themselves feel blessed and energetic in the beginning of new session.
