

POLICE DAV CELEBRATES HOLI WITH GREAT ENTHUSIASM

Police DAV Public School, Patiala, celebrated the festival of colors, Holi, with great enthusiasm. The Holi program saw participation from students of classes Nursery to Second. Instead of using harmful colors, they played Holi with flowers. On this occasion, all the children looked very happy. They were told the significance of such festivals which add colours to life, breaking the monotony and spread brotherhood amongst mankind. Supervisor Mrs. Anjana Kapoor congratulated the children on Holi and advised them to stay away from harmful colors. She encouraged them to play Holi with flowers or herbal colours and explained how chemical-based colors can harm our skin and invite various diseases. Therefore, playing Holi with flowers is the safest option. She asked the children to play Holi with flowers or safe herbal colours at home with their friends and relatives.

On this occasion, the school's Principal, Sardar Rajwant Singh, congratulated the children and the school staff on Holi and wished that their life be filled with all kinds of colors. He emphasized the importance of organizing such programs in the future.
