

Successful Conclusion of Shooting, Archery, and Crossbow Trials at Police DAV Public School Patiala

Police DAV Public School Patiala successfully conducted the Shooting, Archery, and Crossbow trials today, witnessing enthusiastic participation from students eager to showcase their precision and skill. The students participated with a lot of zeal.

The event, held at the school campus in the shooting range set up by the school and provided a platform for young marksmen and archers to demonstrate their talent under the guidance of experienced coaches. Mr Parvez Joshi and his team guided the students. Mr Parvez Joshi is the founder of Best Shooting Academy of Patiala and has been training shooters who have won laurels for the country. He has many national and international medals to his credit. His son, Krish Joshi, is also the student of the school who has made everyone proud through his outstanding shooting skills.

Participants displayed remarkable focus, discipline, and accuracy in their respective disciplines, making the trials a resounding success.

Ms Neha Aggarwal, DSP Headquarters Patiala was also present on the occasion. She inspired the students to strive hard to achieve their targets.

The selected students will now undergo further training and preparation for upcoming inter-school and state-level competitions. The school administration extends its appreciation to all participants, coaches, and organizers for ensuring a smooth and safe event. The school principal Mr Rajwant Singh, thanked Mr Joshi for showing constant support and encouraged the students to make the most out of this outstanding opportunity. He said,

"We congratulate the selected students and look forward to their continued success in competitive shooting and archery."

The event was a great success.
